

How to make a pompom

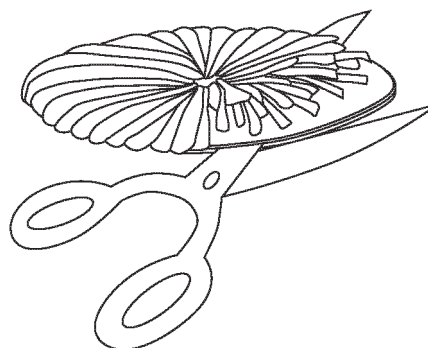

- Cut 2 cardboard circles the same size as the pompom and cut a hole in the middle of each.

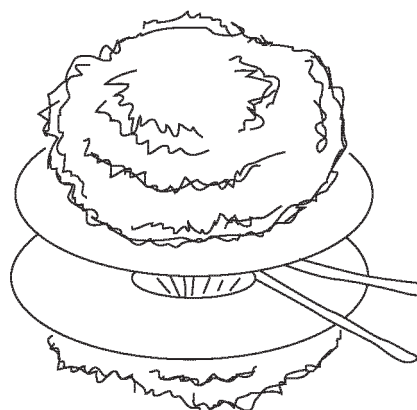

- Put the 2 pieces of card together and wrap yarn around until the hole is full.

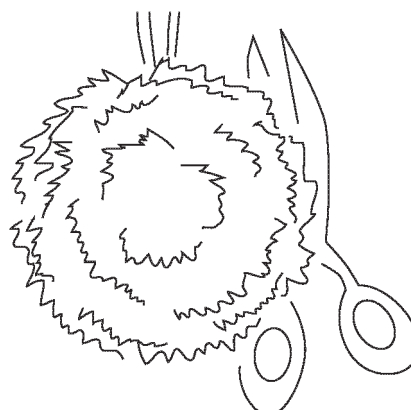

- Cut around the edge a few layers of yarn at a time until you reach the card. Make sure every strand of yarn is cut.

- Pull the cards slightly apart and wrap a length of yarn around the middle to secure the strands. Tie a knot and leave the long ends for attaching pompoms.

- Take card off and trim pompom with scissors.
